

Why we are Insurrectionary Anarchists...

Alfredo M. Bonanno

2003

Because we consider it possible to contribute to the development of struggles that are appearing spontaneously everywhere, turning them into mass insurrections — that is to say actual revolutions.

Because we want to destroy the capitalist order of the world which is useful to nobody but the managers of class domination.

Because we are for the immediate, destructive attack against the structures, individuals and organisations of capital, state and all forms of oppression.

Because we constructively criticise all those who are in situations of compromise with power in their belief that the revolutionary struggle is impossible at the present time.

Because rather than wait, we have decided to proceed to action, even if the time is not ripe.

Because we want to put an end to this state of affairs right away, rather than wait until conditions make its transformation possible.

These are some of the reasons why we are anarchists, revolutionaries *and* insurrectionists.
