Stab-proof vest
De-friend associates
Emotional balance simulator
Stress-free life
Shrink-wrapped corpse
Mono-crop harvester
Low-paid
Sun-dried refugee
Oven-ready Holocaust victims
Classless society
Boil-in-the-bag prison rations
Space-age birth control
Diet-junkie syndrome
Well-dressed cyborg
Jet-lagged climate dodger
Real-estate suburban boredom
Rohypnol speed-dating club
Flat-pack logistic living
Direct streamline contamination
Intergalactic waste-disposal unit,
Welcome to the united
states of technology
gone wrong!
