## A Scene in London

Freedom Press, Anonymous

December, 1886

BOTH of them deaf and close on eighty years old –  
She stone-blind, and he nearly so–  
Side by side crouching over the fire in a little London hovel–  
seven  
shillings a week–  
Their joints knotted with rheumatism–their faces all day long  
mute  
like statues of all passing expression–(no cloud flying by, no  
gleam of  
sunshine there)–lips closed and silent :

But for that now and then taking his pipe out of his mouth,  
He puts his face close to her ear and yells just a word into it,  
And she nods her blind head and gives a raucous screech in  
answer.
