

Neanderthal Liberation Front

Four Percenters Unite

Peter Lamborn Wilson

2013

“...a little Neanderthal DNA, between one to four percent, exists in (some) people today...The Neanderthals are not dead; some of them live on in us.”
— Svante Paabo, Max Planck Institute, Neanderthal Genome Project

Resistance against alienation begins
w/ Neanderthal Liberation Front circa
40,000 BC. Giants of folklore stand for
archaic secret society's perpetual uprising
launches itself again & again against
humanity itself
to which we do not quite belong
& are not by blood particularly loyal.
Our clans descend from the pre-human
the Pre-Adamite Kings—
Caves—the Hollow Earth—the grotesque grotto—
bones—huge old black bones w/ metallic luster
bones of the Cave Bear worshipped in the Ice Age.
Someday this world's merely human regime
will crumble or be overthrown & we neo Neanderthals
will come out & reclaim the day.
