The Draft

Rifki Syarani Fachry

2021

anything that ever exixted returns to a bleach: blood, heart, body and eyes of mine let alone the fate, the time the future, today and all that's passed by all is bleached, all is purified.

Am I merely the long, long draft the impeccable papers ever written and whoever dares to read them not even cioran, juan elia will defy me as a human.
