**Bibliography for FAQ**
This bibliography lists all the books quoted in the FAQ. However, details for some of these books is missing. This information will also be added to over time. Some books are listed in more than one edition. This is due to the process of revising the FAQ for publication and using the most recent versions of books quoted. Once the revision is complete, the old details will be removed.

The bibliography is split into four sections: Anthologies of Anarchist authors; books by anarchists and other libertarians; books about anarchism, anarchists and anarchist history by non-libertarians; and books by non-anarchists/libertarians.
